Queen of the Market Scarlet

BODGER'S GIANT DAHLIA FLOWERED ZINNIAS AWARDED GOLD MEDAL AND "AWARD OF MERIT"

BY THER. H. SOCIETY OF LONDON, ENGLAND

Single Chinensis Dark Blue Giant Comet Ruby Giant Branching Comet Purple

Wasturium Golden Gleam undoubtedly is the most popular novelty of the season. We are entirely sold out until new crop which will be ready in August. Reports coming from countries where Golden Gleem has been flowered leads us to believe this will remain the most popular novelty for the season of 1955. It is becoming popular as a window box plant and also for pot plants. When grown in pots the habit is inclined to be a round bush and the flowers make a golden mass above the foliage. It is most attractive and its perfume adds to its attractiveness. Flowers will retain their perfume and freshness for a week when kept in water.
